Organizers: Department of Industry and Information Technology of Guangdong Province and People's Government of Guangzhou Municipality
Executed by: Bureau of China International Small and Medium Enterprises Fair

Exhibitions and Activities	Main Contents (Name of Pavilions, Main Exhibition Industries/Categories)	
Theme Exhibition	Pavilion for Specialized, Fined, Peculiar, Innovative Enterprises of Provinces, Autonomous Regions, and Municipalities	The exhibition will focus on the theme of "AI Empowerment for SMEs." It will showcase the latest products and services from Specialized and Innovative SMEs, Specialized and Innovative "Little Giant" enterprises, and manufacturing single-champion enterprises. It will also highlight achievements from national-level manufacturing innovation centers and characteristic industrial clusters for SMEs, encouraging more SMEs to pursue Specialized and Innovative development paths.
	International Pavilion (Including the co-host pavilion and pavilions of other countries and regions)	It showcases the distinctive products, technologies, and services of the co-host, as well as those of other countries, regions, and international organizations.
	Pavilion of Hong Kong, Macao, and Taiwan Regions	
Specialized Exhibitions	The organizer will present a series of specialized exhibitions covering key areas, including the digital and intelligent transformation of SMEs, industrial design to empower SME development, and advanced manufacturing.	
Online CISMEF	Relying on the offline physical exhibition, online thematic and specialized exhibitions will also be launched. By integrating exhibition livestreams, supply-and-demand matching, information sharing, and other functions, the platform will create a continuous online bridge connecting SMEs with new partners, markets, and opportunities.	
Supporting Events	Combined with the theme of CISMEF and the industry characteristics and needs of enterprises participating in theme and specialized exhibitions, a series of highly relevant and engaging supporting activities will be held.	New product launch events Digitalization empowers SME activities Production and marketing matchmaking activities by sector and field Overseas delegation business promotion and matchmaking activities
