Launch of Online Issuance of Non-Preferential Certificates of Origin

The Chamber of Commerce and Industry of the Republic of Moldova (CCI RM) has the pleasure to inform you that, starting from 1 June 2026, CCI RM will begin issuing non-preferential certificates of origin in electronic form. A specimen of the electronic certificate is attached.

In this context, we kindly ask you to take note of the following elements of the electronic certificate:

- the certificate number indicated in the upper right-hand corner;
- the QR code placed in Box 10, in the lower right-hand corner;
- the scanned signature and scanned stamp of CCI RM in Box 10;
- the possibility to verify the certificate as follows: for the purpose of verification, interested party may use the QR code appearing on the document, or may access official page origin.chamber.md and enter the certificate number and date of issue. Upon verification, the platform will confirm the authenticity of the certificate by displaying the corresponding certificate marked “read only.”
- electronic certificate may be printed on white paper.

At the same time, please be informed that non-preferential certificates of origin issue on special paper form will no longer be used.

For more information, please contact +373 22 238141 sau +373 78783002 email: expertiza@chamber.md

Yours sincerely,

Please distribute this information among all the parties concerned.

President
